

MOLD GREASE

Donnelly Bros features APG #2, an All Purpose Grease with a unique formula used 25 years by 1000+ Custom Injection molders for molds.

Clear, non-melting PTFE (Teflon type) extreme pressure-super clean approved by Ford, GM and Chrysler Toxicology.

Also Available:

APG #1- a thinner version of APG #2 used in assembling parts. Packaged in pails, jars, tubes, and aerosol spray cans.

APG Temperature – molds up to 200°F

HT 250 High Temperature- Excellent for molds up to 250°F

HT 500 High Temperature- Excellent for molds up to 500°F.

*safety sheets available are on web site
